

Willow Historical & Wildlife Foundation, July 17, 2009

Dear Mr. Huston,

At the July 7, 2009 WACO meeting I was directed to request information from you.

The Old Community Center was sold to the WHWF 3 years ago. WACO terminated the lease agreement over a year ago. WACO has not been kept informed regarding your insurance coverage.

Please submit to WACO in writing the plans that the WHWF has for the building, if you are going to move it, when will that occur, and copies of current insurance coverage.

Sincerely,

(Signed) Linda Oxley
