Dear Pam,

Please convey this letter to the correct staff at BP.

On behalf of our community I offer many thanks to you and to all who were responsible for the generous donations to the teachers at Willow Elementary School. Not only was it a wonderful boost of support to our teachers but also to our community during a sad time. The teachers will all make very good use of the money to augment the education of our children. And the presentation ceremony was wonderful for the kids at the school!

Sincerely,

Linda Oxley
